

# A BIG BARGAIN

We have just received a dozen Ostermoor Mattresses, which we ordered before the advance in Cotton.

The Ostermoor was always the biggest value on the market. Today at the present price of Cotton, an Ostermoor at the old price is a real bargain.

While the dozen lasts, you will get the advantage of our fortunate buy.

\$15.00, \$16.50, \$18.00 & \$23.00.—the old prices throughout the United States.

Before the advance in Linoleum, we ordered an immense lot of it, to be shipped in three shipments and have received one of them. While it lasts, it will go at the old price, \$1.20 per running yd.

## Cedar City Happenings

Now is the time to do that cleaning up around the home.

Come in with your subscription renewals now, and let's get that new press.

Dr. A. N. Leonard made a business trip to Salt Lake this week, returning yesterday afternoon.

Carl Heyborne is undergoing an operation by Dr. Macfarlane this afternoon for the removal of a loose cartilage from his elbow.

Just keep in your mind the great necessity for that new printing press and do not fail to do your mite (or might) towards it.

WANTED.—Two good girls to work in hotel at once. Apply to Mrs. Ada Carter, Lund, Utah. Adv-tf. Look out for the cars!

Work is being pushed rapidly and energetically on the improvements to the Ward Hall. The cement work for the boiler room is now being put in.

Have you noticed J. A. Kopp's new sign on his garage, upper Main street? It makes a very pleasing as well as a striking appearance. The lettering was done by Mr. William Pearson, Cedar's new painter.

The car load of Chevrolet automobiles unloaded at Lund last week have all been sold, according to A. T. Jones of the Utah-Idaho Motor company. A second car is to be imported as early as possible.

Mr. Henry Leigh is one of the latest victims of the automobile germ. He purchased a new light Buick six from Gronway Parry, the local agent, in time to attend conference with it at Parowan Saturday and Sunday.

Presbyterian Mission Services. The subject of Sunday evening's sermon will be, "Personal Responsibility."

We invite you to attend. CLATON S. RICE, Minister.

Don't get in a sweat about Easter Sunday, this year. Or rather, you may sweat before it gets here, as it is calendared for April 23. Husbands have quite a little breathing spell yet before they have to dig up the money for those expensive Easter bonnets.

There have been several subscription renewals since our last report, to swell the NEW PRESS fund, but for lack of space we are omitting them this issue and will give a complete list up to the time of going to press in our next number.

The game of basket ball that was played last Saturday night in the E. A. C. gym between the district school team of this city and the Minersville high school team, resulted in favor of the visitors, the score being 24 to 21. After the game there was a short dancing party in the new school building.

### CALL FOR BIDS.

Bids will be received by the undersigned up to Tuesday noon, March 28, 1916, for the furnishing and setting of about 2,500 green cedar posts on our land below Iron Springs.

Posts to be 7 feet long and not less than 3 inches in diameter at the small end. Must be set firmly two feet in the ground, one rod apart, and be lined straight.

Work to be completed by May 1, 1916. Right reserved to reject any or all bids.—Cedar Mercantile and Live Stock Company.

By W. R. PALMER, Sec'y-Treas. Mar 17-2w.

### Prominent Educators Lecture.

Last Thursday afternoon there was an educational treat at the B. A. C. when the following-named educators of state-wide repute lectured before the students and a number of the people of the town: Dr. George H. Brimhall, president of the B. Y. U.; Supt. Cummings, of the Church schools; and Prof. Wm. A. Morton of Salt Lake City.

The time in afternoon services last Sunday was interestingly occupied by Patrol Agent G. A. Goates of the State Industrial School, his subject being "God's Way With the Children." There was a fair attendance, but owing to the conference being in session at Parowan, a good many were away from town who would have been present if here.

John Fife has received two car load shipments of Fords at Lund within the past two or three weeks, and is selling them like hot cakes. He recently made a trip to Kanab and reports having obtained orders for five while there. Kanab is certainly getting the automobile fever pretty strong lately. There are a lot of good sports over there.

Following up the spirit of the clean town campaign that was voted for at the Round-up meetings, the City dads are taking steps to improve the appearance of the city as far as possible and have a committee from their number out requesting property owners to make certain improvements that they are suggesting. It is to be hoped that the property owners will make a prompt and hearty response to the requests made of them.

A dollar and a half is not much for each of our subscribers, but if it is paid in during March or April of this year it will give us a very material lift with our new printing press. You will be glad, we know, to help so worthy a cause along. Better attend to the matter now, while it is on your mind.

S. A. Halterman returned via Cedar City from Kanab last Sunday, where he went with a Dodge car that he had sold some little time before, and was delivering. While in the metropolis of Kane county he took orders for three more Dodge cars for early delivery, and Monday passed through town en route to Salt Lake City, to bring another car or two home; one may possibly be a Hudson Super Six, if the factory shipment has reached Salt Lake.

At the regular monthly meeting of the directors of the Iron County Telephone company last Wednesday evening it was decided to arrange for an early meeting with the board of the Cedar Electric company, for the purpose of taking up the matter of the removal of the companies' poles from the center to the side of Main Street, it appearing that the weather conditions will soon be favorable for the undertaking of this work.

The attention of our readers is invited to the advertisement of the Southern Utah Plumbing and Heating Company, which appears for the first time in this issue. The business has recently been launched here by Messrs. Warren M. Cox and Wm. M. Merryweather, who have leased the old Observer stand and have put in a stock of plumbing materials. These gentlemen hail from Provo and announce their intention of remaining permanently here.

William Pritchard, chairman of the standing county fair committee, was in Cedar City the other day for the purpose of getting the county fair under way, but owing to a misunderstanding was unable to accomplish much during this visit, but has promised to return in the near future when the Commercial club is in session and co-operate with them in getting the fair started off in good shape.

## Dodge Brothers MOTOR CAR

In nine months more than \$25,000,000 worth of these cars have been bought by the American people and still our problem is to satisfy the demand.

Extraordinary claims have not, as you know, played and part in creating this demand, which must therefore be directly due to the performance of the car.

The motor is 30-35 horsepower. The price of Touring car or Roadster complete is \$900.00 Iron County.

If The Record management just had the time to devote to reporting and the space to print all the news of this section that is worth while, what an excellent paper we could make of The Record! Yet all this is possible and within your reach if you will give us the right kind of support. Don't the idea appeal to you? The first move necessary, then, is that new press that we are working for. Save us the expense of sending a solicitor to call on you by bringing in your renewals at once.

### NOTICE TO BOND BUYERS.

The Iron County Board of Education on April 1st, 1916, at 10 a. m., at Cedar City, Utah, will, subject to a bond election to be held later, consider bids to purchase \$45,000.00 worth of 5% school bonds on the following conditions: the purchaser to furnish without cost to the district, all papers necessary to the conducting of the election, also the bonds.

The Board reserves the right to reject any and all bids. Signed: U. T. JONES, Pres. J. S. WOODBURY, Clerk. March 15, 1916.

Horticulturists are predicting the destruction of the fruit crop of this section again this year, as a result of the unusually warm weather, which is causing the buds to form and burst before the danger of frost has passed.

FOR SALE.—Nearly new two-color, late model L. C. Smith typewriter, with all modern improvements, only \$50.00. A snap for some one. Enquire at The Record office.

Two more brand new, seven passenger automobiles reached Cedar City today. One of them has been sold to B. F. Knell and will be used on his passenger stage line between this place and Lund. It is a Buick, 55. The other is a National and is brought here by the local agent, Mr. G. R. Parry for some person with an extensive pocket-book and aesthetic tastes, of which Cedar boasts quite a number.

### THE WEEK'S OFFERINGS AT THORLEY THEATRE

Following is the repertoire of motion picture plays to be shown at the Thorley Theatre for the week opening Monday, March 13, 1916.

Tuesday—Another popular Animal Show by the Mutual company.

Wednesday—New Western program by the Mutual company.

Thursday and Friday—The Diamond from the Skies.

Saturday—Six reel program from the General Film company, including Broncho Billy.

## FOR BRONCHITIS, WHOOPING COUGH, CROUP, COUGHS AND COLDS

Make the Best Remedy at Home—128 Teaspoonful for 50 cents.

If everything was sold in as liberal and fair a manner as the below named druggists are selling Schiffmann's New Concentrated Expecto-rant, absolutely no cause for complaint or dissatisfaction could possibly arise from anyone. These druggists say—"Buy a bottle of this remedy and try it for Bronchitis, Whooping Cough, Severe Cough, Croup or any Bronchial Affection, and we will return your money, just the same as we do with Schiffmann's famous Asthmador, if it does not give satisfaction, or if not found the best remedy ever used for any of these complaints." Why not take advantage of this guarantee and try this medicine, and get your money back, rather than buying another purely on the exaggerated claims of its manufacturer or on the strength of testimonials from others and run the chance of getting something worthless and also wasting your money?

In buying this remedy, besides securing an absolute guarantee of its efficiency from these druggists, you also get about eight times as much medicine as you would in buying most any of the old-fashioned, ready-made kinds, which average from 20 to 32 teaspoonful, because 50c worth makes a whole pint (128 teaspoonful) when mixed at home with simply one pint of sugar and one-half pint of water. This remedy positively does not contain chloroform, opium, morphine or any other narcotic. It is pleasant to take and children are fond of it. You will be the sole judge, and under this positive guarantee absolutely no risk is run in buying this remedy. Druggists everywhere are authorized to sell it under the same guarantee as Schiffmann's famous Asthmador of "Money Back" if not perfectly satisfactory. R. J. Schiffmann, Proprietor, Saint Paul, Minn. Guaranteed here by The Cedar City Drug Store.

## DON'T DROP IT

A little boy with a piece of cake in his hand was watching his father slop the hogs. He dropped his cake and it was immediately swallowed by a hog.

There are lots of people who drop their money in just this manner and there is always a lot of people who are glad to get what you let loose of. Of course we would not call them hogs, but they are none the less eager to get what you drop. If you keep your money in a good reliable bank like ours and talk with your banker regarding investments you won't drop your money.
